The Salmagundi Club has been on the Greenwich Village art scene for over 100 years.

As part of the Centennial celebration at our 47 Fifth Avenue location, we are presenting this exhibit that expresses our appreciation for the character of our neighborhood and its environs.

It is a visual tribute to the social, aesthetic, historic and architectural diversity of the area.

We thank and support Andrew Berman and the Greenwich Village Historic Society in their valiant effort to protect this valuable heritage that we cherish. We hope you enjoy this exhibit and share our fascination with the unique quality of this part of the City.
